Shed-Mar94 — "Spring Forward, Space Forward"

Platform: FB Marketplace + Groups • Hook: Daylight Saving Time = time for change

You just lost an hour.

Clocks sprung forward.

Days are getting longer.

Spring energy is kicking in.

But your garage?

Still stuck in 2024.

Same boxes. Same clutter. Same car outside.

Spring forward your SPACE too.

A shed gives you:

- ✅ Garage back (like, actually)
- ✅ Organized tools and gear
- ✅ Room to breathe

Right now:

- 💰 0% interest if paid in 6 months
- 😊 Rent-to-own — no credit check
- 🔥 FREE delivery & setup

You gained daylight. Now gain square footage.

Shed-Mar95 — "The Sunday Scroll"

Platform: FB Marketplace + Nextdoor • Hook: Self-aware Sunday browsing moment

Sunday.

You're scrolling.

Coffee in hand.

Probably in sweats.

And you keep seeing sheds.

Because deep down you know:

- 📦 The garage is chaos
- 🚗 Your car deserves better than the driveway
- 🔧 Your tools deserve a real home

This is your sign.

Not next weekend.

Not "when it warms up."

Not "after we clean out the garage first."

NOW.

One text. One quote. Done before lunch.

- ✅ Dozens in stock — come see them
- ✅ 0% financing if paid in 6 months
- ✅ No credit check options
- ✅ FREE delivery to your yard

Stop scrolling. Start solving.

Ad #Shed-Mar96 — "What \$6 a Day Gets You"

Shed-Mar96 — "What \$6 a Day Gets You"

Platform: FB Marketplace + Groups • Hook: Daily cost reframe — cheaper than fast food

\$6 a day.

That's a value meal at McDonald's.

Or a fancy coffee.
Or... nothing. Gone by noon.

OR.

\$6 a day gets you:

- 🏠 A brand new shed
- 🔧 Workshop space
- 📦 Real storage
- 🚗 Your garage back

\$180/mo. That's it.

In 6 months, you've either got:

- A) 180 coffees you can't remember
- B) A building on your property that adds value

The math isn't hard.

- ✅ 0% interest if paid in 6 months
- ✅ 9.99% APR for up to 10 years
- ✅ No credit check rent-to-own
- ✅ FREE delivery

Spend \$6 smarter.

Ad #Shed-Mar97 — "Your Mower Has Seen Things"

Shed-Mar97 — "Your Mower Has Seen Things"

Platform: FB Marketplace + Instagram • Hook: Humor — anthropomorphizing lawn equipment

Your riding mower has been through a lot.

❄️ Sat outside through January

☁️ Got rained on in February

☀️ About to bake in July

And you're wondering why it won't start in April? 🤔

Your equipment didn't sign up for this.

A shed keeps your stuff:

- ✓ Dry
- ✓ Protected
- ✓ Ready to go when YOU are

Plus:

No more dragging everything out of a packed garage.

No more "where did I put the weed eater?"

No more weather damage eating your investment.

- ✓ Starting around \$150/mo
- ✓ 0% interest option available
- ✓ No credit check rent-to-own
- ✓ FREE delivery & setup

Give your mower a home.

It's earned it.
