👉 Saturday posting — taps into weekend project motivation. Keep it aspirational.

📱 Facebook Marketplace — "Picture This"

Marketplace Title: CUSTOM Workshop, Office, Mancave, Home Gym \$150/mo & up

Picture your garage right now.

Now picture it with just your car in it.

Wild concept, right? 😂

That's what a shed does. Everything that's NOT your car goes somewhere that's NOT your garage.

- ✅ Rent-to-own — no credit check
- ✅ Traditional financing available
- ✅ FREE delivery & setup
- ✅ Custom sizes and layouts

Your car misses its house. Let's fix that.

👉 Humor + visualization. Different from "car outside" angle — this one is about the GARAGE transformation, not resale value.

 Facebook Marketplace — "Multiplying Stuff"

Marketplace Title: 10x12 to 16x40 Sheds — FREE Delivery \$150/mo

Nobody warns you about this part of having kids:

Every birthday = more toys

Every sport = more gear

Every holiday = more decorations

Every school year = more "projects" you can't throw away

Your house was not designed for this level of accumulation. 🤔

A shed gives all that stuff a home that isn't your living room floor.

✅ FREE delivery & setup

✅ As low as \$150/mo

✅ No credit check rent-to-own

🏠 Custom sizes from 10x12 to 16x40

No judgment. Just space.

👉 *Targets parents. Everyone with kids relates to "stuff multiplication." Funny but real.*

 Instagram + Marketplace — "One Decision"

Marketplace Title: [Premium Sheds — Financing, Rent-to-Own, FREE Delivery](#)

You're one decision away from:

- A clean garage
- A dedicated workspace
- Your own gym (no monthly membership)
- A place for all the holiday stuff
- Actually parking inside again

Most people overthink it. The ones who pull the trigger?

They wonder why they waited so long. Every single time.

- ✅ FREE delivery & setup
- ✅ Rent-to-own available
- ✅ No credit check options
- ✅ See 'em in person on the lot

No pressure. But if you've been thinking about it... today's a good day.

Text Darius: 636-354-7406

👉 *Action-oriented. Overcomes analysis paralysis. Saturday = decision-making energy. Soft close.*
