Shed-Mar126 — "Sunday Confessional"

FB Marketplace + Groups · Sunday 3/15 AM

Sunday confessional:

How long has your car been sleeping outside?

Be honest:

 A few weeks?

 A few months?

 ...you genuinely can't remember?

No judgment. We've all been there.

But here's the thing nobody tells you:

Every night your car sits in the driveway, it's losing value.

Sun. Hail. Bird bombs. Tree sap.

That's not wear and tear — that's money evaporating.

Meanwhile, in the garage:

 Boxes from the last move

 Christmas decorations (it's March)

 Tools in piles

 That bench press. You know the one.

Confession → solution:

 A shed.

 Move the overflow.

 Car goes HOME.

Shed-Mar127 — "5 Days to Spring"

FB Marketplace + Nextdoor · Sunday 3/15 midday

🌱 Spring starts FRIDAY.

5 days.

Every year it sneaks up on you:

- 🌱 Grass starts growing
- 🌱 You need the mower
- 🌱 The mower's buried behind 14 boxes
- 🌱 You spend 45 minutes just GETTING to it

Then mowing takes 30 minutes.

The prep took longer than the job.

A shed ends that cycle. Permanently.

Mower in. Mower out. Done.

No Tetris. No shuffling. No "where did I put the—"

Right now:

- ✅ Delivery in 2-3 weeks (before April hits)
- ✅ 0% interest if paid in 6 months
- ✅ No credit check options
- ✅ FREE delivery & setup

Spring doesn't wait for you to get organized.

Get organized before spring.

Shed-Mar128 — "St. Paddy's Prep"

FB Marketplace + Instagram · Sunday 3/15 PM

🍀 St. Patrick's Day is TUESDAY.

Here's some Irish wisdom for your backyard:

"May your shed be full of tools...
and your garage be full of cars."
— Ancient Irish proverb (probably)

Luck doesn't clean out your garage.
A plan does.

Step 1: Text me
Step 2: Pick a shed
Step 3: We deliver it FREE
Step 4: Move the overflow
Step 5: Park inside like a civilized human

🍀 No blarney — just straight answers
🍀 0% interest if paid in 6 months
🍀 Rent-to-own (no credit check needed)
🍀 Dozens in stock — come see them

May the odds (and the parking spot) be ever in your favor.

Shed-Mar129 — "The Sunday Walk-Around"

FB Marketplace + Groups · Sunday 3/15 evening

Try something today.

Walk around your property.

Count every piece of equipment, every tool, every bin sitting somewhere it shouldn't.

- 🔧 Stuff leaning against the house
- 🚜 Mower parked under a tarp
- 📦 Boxes in the garage you haven't opened in 2 years
- 🛵 That thing you keep "meaning to sell"

Now imagine all of that — organized. In one place. Out of the way.

That's a shed.

Not just storage. FREEDOM.

Freedom from "where did I put—"

Freedom from the garage shuffle

Freedom from your wife's look every time she walks past it

- ✅ Custom sizes for what YOU need
- ✅ 0% financing if paid in 6 months
- ✅ No credit check rent-to-own
- 🌟 FREE delivery & setup

Your Sunday walk-around just became a plan.
