

TIDY TAILS × Your Clinic

A partnership that makes your clients' lives easier

New pet parents are overwhelmed. Between vet visits, training, food, and grooming — yard cleanup often falls to the bottom of the list. That's where we come in. **One recommendation from you saves them hours every month.**

WHAT WE DO

- ✓ Weekly/biweekly pet waste removal from residential yards
- ✓ One-time deep cleans (spring, moving, events)
- ✓ Service all of St. Louis County & St. Charles
- ✓ Same person, every visit — not a rotating franchise crew
- ✓ No contracts, cancel anytime
- ✓ Fully insured, 5.0★ on Google

WHY VETS RECOMMEND US

- 🎯 Reduces parasite/bacteria exposure in yards (roundworm, giardia, parvo)
- 🎯 Clients actually follow through on "keep the yard clean" advice
- 🎯 New puppy/adoption owners are the perfect referral
- 🎯 Zero cost or effort for your clinic — just mention us
- 🎯 We leave cards/flyers at your front desk (if you're open to it)
- 🎯 Happy clients = happy patients = fewer preventable issues
