MARKETPLACE TITLE

10x12 Storage Shed — \$159/mo · 12 Months Same As Cash · FREE Delivery

AD BODY

Today is the last day.

We've been running 12 months same as cash all month — meaning you get the shed, pay it off within a year, and pay ZERO interest.

That deal ends tonight.

Here's what you're walking away from if you wait until tomorrow:

- ✓ 12 months same as cash (zero interest if paid in full)
- ✓ 50% off financing charges
- ✓ FREE delivery & setup
- ✓ No credit check option still available

I'm not the pushy type. But I'd feel bad if you texted me Wednesday asking about the deal and I had to tell you it's gone.

If you've been thinking about it — today's the day.

AD BODY / DM SCRIPT

Hey [Name] — it's Darius from TuffShed.

Wanted to reach out one more time before this month's deal expires today.

12 months same as cash + 50% off financing charges. Both go away tonight.

I know you were looking at the [10x12 / 12x16 / whatever they were interested in]. With this promo, you'd have a full year to pay it off with zero interest.

No pressure at all — but I didn't want you to find out it's gone and wish I'd said something.

If the timing is right, let's make it happen today. I can pull your quote up right now.
