Shed-Mar116 — "Friday the 13th"

Friday the 13th.

You know what's actually scary?

- 🎃 That pile in the corner of the garage
- 🎃 The fact your car hasn't been inside since October
- 🎃 How much your riding mower cost... sitting in the rain
- 🎃 The look your wife gives you every time she walks past it

THAT'S the horror movie playing at your house.

Here's the happy ending:

- 🏠 A shed.
- 📦 Everything gets its own space.
- 🚗 Car goes inside.
- 😊 Wife stops giving you the look.

No jump scares. Just solutions.

- ✅ 0% interest if paid in 6 months
- ✅ Rent-to-own (no credit check)
- ✅ FREE delivery & setup

End the horror story.

Shed-Mar117 — "One Week to Spring"

 Spring is ONE WEEK away.

March 20th. That's it.

And when spring hits:

-  Everyone wakes up
-  Projects start
-  Delivery times stretch
-  "I should've done this in February"

Right now?

-  Inventory in stock — dozens to walk through
-  Delivery slots still open
-  0% financing if paid in 6 months

Next week?

 Can't promise any of that.

This is literally the last weekend before spring.

Don't be the "I'll wait" guy.

Be the "already handled" guy.

 St. Patrick's Day is Monday.

You know what's luckier than a four-leaf clover?

-  "I'll deal with it next weekend"

Just:

-  Everything organized
-  Car inside (wild concept)
-  Your own dedicated space

This weekend — come see what we've got.

Walk through 'em. Bring the spouse.
