LEAD #1

HIGH PRIORITY

Purina Farms / Purina Events — Gray Summit, MO

 Event Sponsorship + Vendor Booth Opportunity

Address: 200 Checkerboard Drive, Gray Summit, MO 63039

Phone: (314) 982-3232

Website: purina.com/purina-farms

Why Good Fit: Purina Farms hosts massive dog events — breed shows, AKC competitions, pet festivals. Thousands of dog owners attend each event. This is a BRAND PLAY, not just a service contract. Set up a booth at their events, hand out cards, offer show specials. Currently doing performances at St. Louis Union Station too. Their 100th anniversary celebrations (2026) mean MORE events this year. Attendees are passionate, invested dog owners — the exact demographic Tidy Tails wants.

Est. Value: \$200-\$500/event + massive brand exposure + hundreds of dog owner contacts per event

"We're Tidy Tails — local St. Louis pet waste removal. Would love to be a vendor/sponsor at your upcoming events. We'll set up a booth, hand out waste bags with our branding, and offer show specials. Win-win for attendees."

LEAD #2

MEDIUM

Companion Animal Hospital — Chesterfield

 Veterinary Clinic — Referral Partner (West County Gap Fill)

Address: 14353 Manchester Rd, Chesterfield, MO 63017

Phone: (636) 227-4600

Website: companionanimalstl.com

Why Good Fit: Full-service vet on Manchester Rd in Chesterfield — the heart of West County. All current vet referral leads are North County. This fills the WEST COUNTY vet referral gap. Pairs perfectly with Parq at Chesterfield, ReNew Chesterfield, and Rover Oaks leads. Affluent client base = higher service rates. Established practice with strong local reputation.

Est. Value: \$50-\$100 direct service + high-value residential referrals

"We're building our West County route — can we leave cards at your front desk? 10% off first month for your dog clients. Local, owner-operated, we're in Chesterfield every week already."

LEAD #3

MEDIUM

St. Peters Animal Hospital

 Veterinary Clinic — Referral Partner (St. Charles County)

Address: 3960 N St. Peters Pkwy, St. Peters, MO 63376

Phone: (636) 397-1150

Website: stpetersanimalhospital.com

Why Good Fit: Full-service vet clinic right on N St Peters Pkwy — prime location. TJ already has customer Preshus in St. Peters. No vet referral partners in St. Peters/St. Charles yet despite having multiple apartment/business leads there. This fills the St. Charles County vet referral gap. Walk-in and appointment clients. Established practice.

Est. Value: \$50-\$100 direct + residential referrals in St. Peters/St. Charles

"We already service yards in St. Peters — your clients are our neighbors. Can we set up a referral partnership? Cards at your desk, 10% off first month for your dog owners."

LEAD #4

HIGH PRIORITY

Villas at Romaine Creek — Fenton/Valley Park

 Villa-Style Rental Community w/ Private Yards

Address: Romaine Creek Rd, Fenton/Valley Park, MO 63026

Phone: (636) 326-1800

Website: villasatromainecreek.com

Why Good Fit: Villa-style rental community with private backyards, attached garages, patios. Pet-friendly. South County / Fenton corridor where we're building a route cluster (Turtle Creek, Greenmar, Estates at Gravois Bluffs). Dual pitch opportunity — common areas AND individual resident yards. Villas with yards = more like houses = bigger waste problem than apartment balconies.

Est. Value: \$200-\$400/month

"Your residents have backyards — that's great for dogs, but it means more cleanup. We offer common area service AND individual resident yard cleanup as a community perk. Building our South County route right now."

LEAD #5

HIGH PRIORITY

BluSky Property Management — St. Louis Metro

 Property Management Company

Address: St. Louis, MO

Phone: (314) 669-2088

Website: bluskypropertymanagement.com

Why Good Fit: Manages residential rental properties across St. Louis metro. Pet-friendly properties are a significant part of their portfolio. Smaller than the big HOA firms but managing enough properties that one vendor relationship = multiple locations. They focus on tenant satisfaction and property value preservation — pet waste removal is a direct value-add for both. Not yet in our pipeline alongside Millsap, PMI, and Preferred.

Est. Value: \$300-\$2,000+/month depending on portfolio size

"Pet waste on rental properties causes tenant complaints and lawn damage. We handle it weekly — keeps tenants happy and your properties looking sharp. One invoice, flat monthly rate per property."

LEAD #6

LONG PLAY

Cottleville Dog Park — City of Cottleville

 Municipal Dog Park

Address: Cottleville Community Park, Cottleville, MO 63304

Phone: (636) 498-6565 (City Hall)

Website: cottlevillemo.com

Why Good Fit: Growing suburb between St. Charles and O'Fallon with an active dog park at Cottleville Community Park. Pairs with Baxter's K9 Complex (St. Charles), Capital at St. Charles, and the St. Charles Park District system for a complete St. Charles County municipal route. Cottleville is one of the fastest-growing communities in the area.

Est. Value: \$200-\$400/month

"We service St. Charles County already. Weekly dog park cleanup keeps your park clean and safe. One flat monthly rate, frees up your parks crew for other work."
