⚠️ **TODAY IS THE HIGHEST-CONVERSION DAY OF SPRING.** Easter egg hunts are Sunday. Parents are Googling "yard cleanup" RIGHT NOW. NC-5 fires this morning. Easter panic posts go out today. Every lead you respond to in under 10 minutes has a 72% close rate today.

🔴 PRIORITY 1: NC-5 Bridgeton Post (8 AM)

Fire in: **Bridgeton MO Community + North County STL + Bridgeton Buy/Sell/Trade**

To my neighbors in Bridgeton and North County 🙌

Did your dog poop service disappear? You're not alone – a lot of services pulled out of

63044 and we're hearing from people every week who've been left without anyone.

We're Tidy Tails – local St. Louis owners, not a franchise. We cover all of Bridgeton

(63044) plus Hazelwood, Florissant, Ferguson, and Maryland Heights.

What makes us different:

- ✅ \$70/month flat – same price regardless of yard size or how many dogs
- ✅ We TEXT you before every visit ("On My Way") so you know we're coming
- ✅ We TEXT when we're done so you never have to wonder
- ✅ No contracts. Text us to pause, cancel, or change your schedule anytime.
- ✅ First cleanup is FREE when you start weekly service

A lot of Bridgeton customers switched to us after their old service dropped them. We've been holding down North County routes for months now.

Text or call Jamie directly: (314) 850-7140

Or text "SWITCHING" and we'll match your old schedule 🐾

🔴 PRIORITY 2: Easter Last Call Posts (9–11 AM)

Post in ALL Facebook groups + Nextdoor + FB Page + Instagram.

Facebook Group Version:

Easter egg hunt is Sunday 🐣

If you've got dogs, your yard has been storing everything since December. That's 3-4 months of buildup thawing all at once.

I'm Jamie – I run Tidy Tails, St. Louis's local pet waste removal service. We still have a few same-day and Saturday slots before Easter.

- ✅ One-time Easter cleanup from \$75
- ✅ Or start weekly service – first cleanup is FREE
- ✅ \$70/month flat, no contracts

Kids will be crawling on that grass Sunday. Roundworm eggs and bacteria survive the winter. This isn't a "gross" problem – it's a health one.

Text me directly: (314) 850-7140
Or go to TidyTailsSTL.com

Happy to get your yard sorted before Sunday 🐾

Nextdoor Version (shorter):

Easter's Sunday – is your yard ready? 🐣

Dogs have been using the yard all winter. Three months of accumulation just thawed.

I'm Jamie, owner of Tidy Tails – local St. Louis pet waste removal. Still have a few Saturday slots before Easter.

One-time cleanup from \$75, or start weekly for \$70/month (first visit free).

Text (314) 850-7140 if you need it done before Sunday 🐾

🟡 PRIORITY 3: FB Ads Easter Burst — Swap Creative (Check Frequency)

⚠️ **RULE:** Only swap in the *SEPARATE* Easter Burst campaign. **DO NOT** touch the main learning-phase

campaign.

- Check frequency in Ads Manager on the Easter Burst campaign
- If frequency $\geq 1.5 \rightarrow$ pause Ad #1, launch **Ad #3 "48-Hour Warning"**
- If frequency $< 1.5 \rightarrow$ keep Ad #1 running, add Ad #3 as B test

Ad #3 Primary Text:

48 hours until Easter egg hunts start.

If your yard still has dog waste from the winter, this is the last window to get it done before Sunday.

Text or call Jamie at Tidy Tails: (314) 850-7140

One-time cleanup from \$75 $\rightarrow$ first month free when you start weekly.

No contracts. \$70/month flat.

No pressure — just thought I'd ask since you know people in the neighborhood 😊
