Hot Leads — Text Immediately (Before Breakfast)

Anyone who said "yes" or signed up at the event

RIGHT NOW

The 48-hour conversion window closes this afternoon. Hot leads are expecting your text. This is the #1 highest-ROI action of your entire week — 5 minutes, potentially \$840+ per convert.

HOT LEAD TEXT (THEY SAID YES AT EVENT)

"Hey [Name]! It's TJ from Tidy Tails — really enjoyed meeting you + [Dog's Name] at the Paw-ty yesterday! 🐾 Ready to get your yard set up. What's your address + best day for first cleanup — Monday, Tuesday, or Wednesday?"

WARM LEAD TEXT (THEY SEEMED INTERESTED)

"Hey [Name], TJ from Tidy Tails! Great meeting you and [Dog's Name] yesterday at the Paw-ty 🐾 Just checking in — still happy to do your first cleanup FREE when you start weekly service. \$70/mo flat rate, no contracts. Let me know if you want to get started this week!"

⚠️ **Do NOT overthink it. Send the text in the next 30 minutes. Every hour you wait, the odds of getting a reply drop.**

Referral Texts — 10 Current Customers

Your best source of trust-based leads. Sunday 9-11 AM is peak open rate.

9-11 AM

While the Paw-ty energy is still fresh, hit all 10 customers with a referral ask. One convert from referral = \$840 LTV at \$0 acquisition cost.

REFERRAL TEXT (PERSONALIZED PER CUSTOMER)

"Hey [Name]! TJ here — just got back from an event in Crestwood yesterday. If you know anyone with a dog who'd want their yard taken care of, I'll do their first cleanup free AND give you a free service visit as a thank-you. Just have them text me and mention your name 🐾"

MINDSET CHECK

Yesterday was building the pipeline. Today is converting it. Every tool is built. Every script is ready. The Paw-ty happened — now the work is in the 30 minutes before Monday morning. Text the leads. Ask for reviews. Prep the launch. Then rest. You've done everything right. Now close the loop.

On the 48-hour rule: Most event leads die from "I'll text them later." You already have their name, their dog's name, and their phone number. They're expecting you to follow up. A text at 7 AM Sunday isn't pushy — it's professional. The ones who sign up are ready to sign up. The window is just keeping the door open long enough for them to say yes.
