April Fool's Tomorrow — Use It For Sheds

Tomorrow is April 1. The shed post "The only joke is how long you waited" is in your April Content Calendar and it's a high-engagement angle. Post it first thing in the morning BEFORE any tariff posts. Humor first, urgency second.

People who laugh → people who buy.

Priority 1: Final Paw-ty Follow-Up Window

DO NOW — LAST CHANCE

1 Warm Leads From Saturday — Last Touch Today

Anyone from the Crestwood Paw-ty who was "maybe" and hasn't replied yet gets ONE more text today. After today, let them go — you don't want to be pushy. Tuesday is the last credible day of the 48-72 hour window.

"Hey [Name]! Hope you got a chance to enjoy the weekend with [Dog Name]. Still thinking about the yard cleanup service? Happy to lock in [Wednesday/Thursday] as your first visit — first one's free. Just let me know 🐾"

2 Confirm Anyone Who Said Yes On Monday

If Monday's NC-1 post generated any leads, follow up with a scheduling text today — same-day follow-up converts at 2-3x vs waiting 48 hours.

1 Post NC-2 to Hazelwood Facebook Groups

Today's post is specifically targeted at Hazelwood community groups. NC-2 is the "orphaned customer" angle — "Did your pooper scooper disappear?" Copy from the North County Conquest file.

NC-2 — POST TO HAZELWOOD GROUPS (8:30–9:30 AM)

Did your dog poop service disappear in North County? You're not alone.

A lot of services in Florissant, Hazelwood, and Ferguson stopped showing up — or just stopped altogether. If you've been doing it yourself since then, I want to help.

Tidy Tails is a local St. Louis owner-operated service. No franchise. No 1-800 number. You text TJ directly at (314) 850-7140.

-  We serve Florissant, Hazelwood, Ferguson, Bridgeton
-  \$70/month flat — doesn't matter if you have 1 dog or 4
-  No contracts. Cancel anytime.
-  We text you "On My Way" before every visit

First cleanup is FREE. Just reply here or text "HAZELWOOD" to (314) 850-7140.

#HazelwoodMO #NorthCounty #StLouis #DogOwner #PetWasteRemoval

 Target groups: Hazelwood Community Connections, Hazelwood MO Neighborhood, Hazelwood Residents Facebook, Missouri North County Residents

2 Post NC-2 Variant to Nextdoor (Hazelwood Neighborhood)

Use a shorter, warmer version for Nextdoor — fewer hashtags, more neighbor-to-neighbor tone.

NEXTDOOR — HAZELWOOD VERSION

Saw a lot of posts in the past year about North County dog waste services disappearing. Wanted to let neighbors know — Tidy Tails is here and serving Hazelwood.

Local owner. Text TJ at (314) 850-7140. \$70/month flat. First visit free.

Happy to answer any questions right here.

3 Check FB Ads Status — Should Be "In Review" or "Active" by Now

If you launched ads Monday, they should be in review (24–48h window) or active by Tuesday morning. Check Ads Manager to see status. If rejected, the FB Ad Launch Pack has a rejection guide — it's in the "FB

Priority 3: Vet Blitz Day 2 — Ferguson Area Clinics

AFTERNOON

Day 1 was Florissant clinics. Day 2 targets Ferguson and surrounding area — the clinics that see the exact dog owners you want in North County.

Ferguson Animal Hospital

Ferguson, MO (63135)

Angle: North County locals. These are exactly the dog owners seeing your FB posts this week. Mutual timing — "you're in this area already."

Halls Ferry Animal Hospital

Halls Ferry area, North County

Angle: Busy families, multiple dogs. Pitch the flat rate as a multi-dog benefit.

Normandy Animal Hospital

Normandy / North St. Louis County

Angle: Underserved area — same "we're finally here" angle as your FB posts. Reciprocal referral offer: they refer, their staff dogs get first month free.

Walk-In Script (30 Seconds)

"Hi! My name's TJ, I run Tidy Tails — we're a local pet waste removal service, and I'm actually launching in this area this week. I know your clients are always looking for reliable dog care services. Would it be okay if I left a few flyers in your waiting room? We're happy to offer your staff a free first cleanup as a thank-you."

Priority 4: TuffShed / WoodMaster — Last 24 Hours

**TARIFF ENDS
TOMORROW**

1 Post Tariff Urgency On Facebook Marketplace TODAY

This is real urgency. Lumber and steel tariffs take effect April 2. Post a marketplace listing with the tariff hook TODAY. After tomorrow, the hook is gone — don't miss the window.
