🚨 TODAY IS YOUR LAST CLOSE WINDOW BEFORE EASTER

Anyone who books a same-day cleanup TODAY gets their yard done before the egg hunt tomorrow. After tonight, no new takers — you shift to post-Easter conversion mode on Monday. Make today count.

🕒 The Sequence Matters

Morning posts create awareness → Referral texts create warm leads → Inbound replies convert → Evening same-day closes lock in Sunday morning cleanups. Don't skip steps or do them out of order.

11 AM–1 PM

🔍 Check FB Ads + Easter Burst Status

Easter Burst campaign should be running (\$7/day). Check that it's still active. DO NOT touch the main learning-phase campaign. Pause Easter Burst by 5 PM today — it's done its job.

1–5 PM

Execute Same-Day Cleanups

For anyone who books today — send the "On My Way" text before leaving, do the full grid sweep, send "All Done" text from the driveway. Plant the monthly seed in that text: "Same time weekly = \$70/month, no contracts."

5 PM

Pause Easter FB Burst Campaign

Go into Ads Manager, find the separate Easter Burst campaign, pause it. Do NOT pause the main campaign. You don't want Sunday morning clicks on a same-day offer you can't fulfill.

7–8 PM

Instagram Story — Easter Eve Tease

"Last same-day slots tonight before Easter egg hunts tomorrow 🥚 — text me" + before/after photo if you did a cleanup today. Quick, simple, 30 seconds to post.

EVENING

Set Up Tomorrow's Cleanups

Confirm all Easter Sunday morning cleanup bookings. Know the addresses and sequence. Aim to start by 7–8 AM Sunday before egg hunts start. Text "See you first thing tomorrow morning!" to locked-in bookings.

FACEBOOK GROUP POST — EASTER EVE LAST CALL

 Easter egg hunt tomorrow — is your yard ready?

If you've got dogs, your backyard has been collecting deposits all winter. We're talking 75–150 piles depending on how many dogs and how cold it's been. Your kids are going to be hunting eggs in that yard tomorrow morning.

I'm Jamie — I run Tidy Tails, a local dog waste removal service in St. Louis County and St. Charles County. I have a few same-day slots left TODAY (Saturday) for cleanups before Easter Sunday.

-  \$75 flat — one-time cleanup, any yard, any dog count
-  I text "On My Way" before I come and "All Done" when I'm finished
-  You don't need to be home
-  Waste removed off your property (not left in a bag)

Your kids deserve a clean yard for the egg hunt. Book today and it's done before they wake up tomorrow.

Text or call (314) 850-7140 — Jamie, local owner

📋 NEXTDOOR POST — EASTER EVE

🐣 Easter egg hunt tomorrow — is your yard clean?

Dogs have been working all winter. A same-day yard cleanup today means the kids hunt eggs in a clean yard tomorrow.

\$75 flat, same-day, I text before I come and when I'm done.

📋 TEXT SCRIPT — VERSION A (5-STAR CUSTOMERS)

Hey [NAME] — Happy almost Easter! 🐣 Quick ask — do you have any neighbors or friends with dogs who need their yard cleaned before the egg hunt tomorrow? I have a few same-day slots left today.

If someone you refer signs up, I'll put a \$20 credit on your next month. Just have them text me at (314) 850-7140 and mention your name.

Thanks for always being such a great customer! — Jamie

Version B — All Other Customers

📋 TEXT SCRIPT — VERSION B (ALL OTHER CUSTOMERS)

Hey! Hope you're having a great Easter weekend 🐣 — Quick ask: any neighbors with dogs who've been meaning to get their yard cleaned before Easter? I have same-day slots left today, \$75 flat.

If they sign up and mention you, I'll knock \$20 off your next month. Just have them text (314) 850-7140. — Jamie

⚡ **The 10-Minute Rule**

Reply within 10 minutes of every inquiry today. Leads go cold within an hour on a holiday weekend — people are busy, they'll move on. Open your texts/Facebook DMs when you're not cleaning and reply immediately.

STANDARD REPLY

📄 **REPLY SCRIPT**

Hey! \$75 flat for today's same-day cleanup — any size yard, any number of dogs. I text "On My Way" before I come and "All Done" with a photo when I finish. You don't need to be home.

What's your address and how many dogs? I'll check my route and give you a time window. — Jamie

"Can you do it by tomorrow morning?"

HIGH PRIORITY

📄 **REPLY SCRIPT — EASTER DEADLINE**

Yes! I can do today (Saturday) which gets your yard clean before Easter Sunday morning. I'm running same-day routes today for exactly this.

\$75 flat — text me your address and how many dogs. I'll get you a time window. — Jamie

"Let me think about it"

SOFT CLOSE

📄 **REPLY SCRIPT — FENCE-SITTER**

Of course! Just so you know, my same-day slots today are the last before Easter — after today the next available is Monday or later, which means after the egg hunt.

If you decide to go for it, just text me the address. — Jamie

"\$75 is too much" / "That's expensive"

OBJECTION

📄 **REPLY SCRIPT — PRICE OBJECTION**

Totally get it! Here's what most people do — the first cleanup is \$75, then if you want to make it easy going forward, I do weekly service for \$70/month flat (includes the first cleanup free when you start a subscription).

So some people just do the Easter one-time and that's it. Others decide \$70/month is worth it to never deal with it again. Up to you — no pressure either way. — Jamie

"Do you cover [area]?"

COVERAGE

📋 REPLY SCRIPT — COVERAGE CHECK

Yes! I cover all of St. Louis County and St. Charles County — Florissant, Hazelwood, Ferguson, Kirkwood, Webster Groves, Crestwood, Chesterfield, Ballwin, O'Fallon, St. Peters, Wentzville and everywhere in between.

Text me your address and I'll confirm. — Jamie

Same-Day Cleanup Protocol — Plant the Monthly Seed

1–5 PM · Execute cleanups · Convert from driveway

"On My Way" Text → Cleanup → "All Done + Monthly Seed" Text

PER CLEANUP

For every cleanup today, send these texts exactly. The "All Done" text plants the monthly seed while you're still in their driveway — highest conversion moment of the customer journey.

📋 "ON MY WAY" TEXT (SEND BEFORE LEAVING)

Hey! This is Jamie from Tidy Tails — heading your way now. I'll text you when I'm done! 🐾 — (314) 850-7140

📋 "ALL DONE + MONTHLY SEED" TEXT (SEND FROM DRIVEWAY)

All done! ✅ Yard is clean and ready for the egg hunt tomorrow 🥚

Quick heads up — if you want this handled automatically going forward (never have to think about it), I do weekly service for \$70/month flat. No contracts. Same "On My Way" and "All Done" texts every week.

Happy Easter! — Jamie (314) 850-7140

FB Ads: Easter Burst Pause at 5 PM

11 AM check · 5 PM pause · Do NOT touch main campaign

🚨 CRITICAL: Two Separate Campaigns — Touch Only the Easter Burst

The main learning-phase campaign is live and must NOT be paused. The Easter Burst (separate campaign, \$7/day, started April 2) must be paused by 5 PM today. You don't want Easter-urgency ads running on Sunday when no one can get a same-day cleanup.

11 AM — Check Easter Burst: Is it delivering?

[CHECK](#)

Go to Ads Manager → Campaigns. Find the Easter Burst campaign (named something like "Easter Sprint" or "Easter Burst"). Confirm it's still active. Check Leads count — if 0 leads after 2+ days, don't panic (FB learning phase). Just confirm it's running.

5 PM — PAUSE Easter Burst (not main campaign)

[5 PM DEADLINE](#)

Click the Easter Burst campaign → toggle to Paused. Main campaign stays ON. Do this before 5 PM so you don't forget in the evening chaos. Put a phone reminder right now.
