JAMIE'S PITCH ANGLE

 STRATEGIC

PHONE

(314) 822-5302

EST. MONTHLY VALUE

Referral play → \$300–\$600 in residential

WHY GOOD FIT

St. Louis County's official animal shelter processes hundreds of dog adoptions every month across the entire county. Every adoption = a new dog owner with a yard. Being in the new adopter welcome packet = near-zero cost, massive reach. Unlike Humane Society (already in pipeline), this reaches the broader suburban/county market specifically. Also: any local event tables for adoption events = live leads.

CONTACT

Ask for Community Outreach or Adoption Coordinator. Not animal control officers — the office staff who handle pet-owner education.

JAMIE'S PITCH ANGLE

"Every dog that gets adopted goes home to a yard. We'd love to be in your new adopter welcome packet — just one card or flyer. First month at 15% off for new adopters. It's a win for them, a win for you, and it costs you nothing."
