"The Garage Audit"

Shed-Mar179

MARKETPLACE TITLE

12×16 Utility Shed | Custom Workshop or Storage | \$208/mo

A quick inventory of what's in the average STL garage right now:

- 📦 Christmas tree from 2019
- 🏃 Treadmill from the "new year new me" phase
- 📦 Empty boxes (just in case)
- 🚲 Bikes no one has ridden since Obama
- 🔧 Tools from three different "I'll fix it myself" projects
- 📦 Your cousin's stuff from 2023

Meanwhile, your car is outside.

A shed takes all of that out of your garage and puts it where it belongs — out back, out of sight, out of your way.

- 👤 Financing & rent-to-own
- ✓ Custom sizes & styles
- ✓ Easy to reach, local guy

Shed-Mar180

MARKETPLACE TITLE

8×10 Starter Shed | FREE Delivery | \$139/mo

Your car called.

It said it used to live inside. Had a roof.
Shelter. Protection from hail, bird stuff, and
the sun fading the dash.

Now it sleeps in the driveway every night.

It just wants to come home.

All you need is a shed out back for all the stuff
that took its spot — and your car gets its
garage back.

- ✅ Dozens in stock, ready to go

"Maybe next weekend."

The thing is — you don't actually need to

You just need somewhere to put all the stuff
that's blocking your car.

That's what a shed is. One phone call, one
delivery, done.

- 🤖 Financing or rent-to-own
- ✅ Custom sizes — we design it your way
