LIVE PROOF OF CONCEPT — TIDY TAILS STL

Tidy Tails STL — Pet Waste Removal, St. Louis

Started with 0 customers, 0 marketing budget, and a basic idea. Used AI tools exclusively to build every system — website, SEO, CRM, lead lists, ad copy, and customer management. Zero agency. Zero freelancers. AI did the work.

AD SPEND

"Every blog post, lead list, ad campaign, and customer system on this business was built by AI — not hired staff. The playbook is repeatable. That's what I'm selling."

— TJ Williams, Founder

WHAT I BUILD FOR YOUR BUSINESS

- ✓ **SEO Content Engine** — 20–50 blog posts targeting your exact customers, published and indexed
- ✓ **Lead Generation System** — Researched, enriched prospect lists with contact info and pitch angles
- ✓ **AI-Powered CRM** — Track customers, revenue, follow-ups, and health scores — all automated
- ✓ **Ad Copy Library** — Facebook, Instagram, and Google ad copy variants ready to run
- ✓ **Local SEO Foundation** — GBP, citations, review systems, structured data, and page optimization
- ✓ **Campaign Calendars** — Seasonal and evergreen content mapped to your revenue calendar
- ✓ **Sales Enablement** — Call scripts, email templates, objection handlers, and follow-up sequences

HOW IT WORKS — 4-PHASE SYSTEM

- 1 AI Audit (Week 1)**
Full website, SEO, and competitive analysis. Gaps, opportunities, and 90-day roadmap.
- 2 Foundation Build (Wk 2–4)**
SEO content, GBP optimization, citation submissions, and lead list creation.
- 3 Pipeline Activation**
CRM setup, email sequences, call scripts, and ad copy deployed to live campaigns.
- 4 Monthly Optimization**
Performance review, new content, A/B variants, and next-cycle roadmap.
