Reel Ideas — Shoot These On Your Phone at the Lot

Reel 1 — "Lot Walk-Through"

REEL

IG

FB

Time to shoot: **5 min on the lot** | Length: **15-30 sec** | Best time: **Saturday afternoon**

WHAT TO DO:

Walk through 3-4 different sheds back to back. Phone in hand, casual.

No script needed — just talk while you walk.

WHAT TO SAY:

"Here's a 10x12 Premier — this is what most people get.

[open door, step inside]

Look at this space. Loft up there if you need it.

[walk to next one]

This is the WoodMaster — darker stain, more of a workshop vibe.

[walk to next]

And this one... this is the she-shed everybody keeps asking about."

TEXT OVERLAY (CapCut): "23 sheds. 1 lot. Come see them."

CAPTION: "Which one would you pick? Drop a number 📌"

FREE delivery. Financing available. No appointment needed.

📞 636-354-7406 | 📍 5520 Westwood Dr, St. Charles"

HASHTAGS: #Sheds #STL #StCharlesMO #TuffShed #WoodMaster #BackyardGoals #StorageSolutions #ShedLife
#ManCave #SheShed

💡 Shoot it in one take. Casual and real performs better than polished. Don't overthink it.

Reel 2 — "Inside the Workshop"

REEL

IG

Time to shoot: **3 min** | Length: **20-30 sec** | Best for: **PRO Series / larger buildings**

WHAT TO DO:

Walk into a 12x16 or larger shed. Show the interior — walls, loft, doors.

Spread your arms to show scale.

VOICEOVER:

"People always ask — is it big enough for a workshop?

[spread arms wide inside shed]

This is a 12x16. You've got workbench space on both walls.
Loft up top for seasonal stuff.
This becomes your home gym, your woodshop, your man cave.
Whatever you need it to be."

TEXT OVERLAY: "12x16. \$5,499. FREE delivery."

CAPTION: "Stop storing your tools in the garage.

This is your next project space.

📞 636-354-7406 | @reddshedredemption"

Reel 3 — "Before/After: The Garage"

REEL

IG

FB

Time to shoot: **5 min total (2 scenes)** | Works best: **After a delivery or on a customer yard**

WHAT TO DO:

Scene 1: Film a cluttered garage corner or messy outdoor area (or use stock)

Scene 2: Film a clean shed on the lot or a just-installed shed

Cut together with a wipe/transition

VOICEOVER:

"Before: nowhere to put anything, car sitting outside.

After: everything organized, garage back, car inside.

This is a 10x12 Premier.

Delivered and set up FREE."

TEXT OVERLAY:

BEFORE → AFTER

"\$3,509. Free delivery. Done."

CAPTION: "It doesn't have to stay like that.

📞 Darius 636-354-7406 | FREE delivery + setup"

Reel 4 — "The She Shed Tour"

REEL

IG

Best for: **Women's audience, home/craft crowd** | Time: **3 min**

WHAT TO DO:

Walk through the best-looking shed on the lot (Premier Ranch or similar).

Describe what it COULD become — speak to the vibe, not the specs.

VOICEOVER:

"Okay imagine this:

String lights up there.

A small couch in the corner.

Some plants by the window.

Maybe a little desk for your art stuff.

[turn and show the door]

This is a 10x12 Premier Ranch.

Custom colors, custom doors, custom windows.

Somebody's about to turn this into the best corner of their property."

TEXT OVERLAY: "Build it your way. We deliver it for free."

CAPTION: "She shed season is HERE.

Custom colors, windows, doors — you design it, we build it.

☎ 636-354-7406 | @reddshedredemption"

Reel 5 — "Tariff Price Lock"

REEL

FB

Best for: **April 2026 — lumber/steel tariffs just went up** | Time: **90 seconds, talking head**

WHAT TO DO:

Talking head at the lot or on camera. Serious but conversational. Not pushy.

SCRIPT:

"Real talk — lumber and steel tariffs went up April 2nd.

I'm not saying this to scare you. It's just math.

The sheds I ordered before the tariffs hit are at the old price.

Once those are sold, the next batch comes in at the new cost.

If you've been thinking about a shed, this week is genuinely the best time to lock in.

Same quality. Same free delivery.

Just today's price — not next month's."

TEXT OVERLAY: "Pre-tariff inventory. This week."

CAPTION: "I'd rather tell you straight than hit you with a price you didn't expect.

Come see what we've got. ☎ 636-354-7406"

💡 This one works as a Facebook post too — straight to camera, honest tone. Don't oversell it. Just be real.

Reel 6 — "RTO Explainer"

REEL

IG

Best for: **People who don't think they can afford it** | Time: **30 sec**

WHAT TO DO:

Quick on-camera or text-only reel. Fast and punchy.

SCRIPT (or TEXT OVERLAY format):

"You don't need perfect credit to get a shed.

Here's how rent-to-own works:

✅ No credit check

✅ Low deposit

✅ ~\$130-280/month depending on size

- ✓ Own it in 36 months
- ✓ Early payoff = save money
- ✓ FREE delivery + setup

That's it.

Come to the lot or call Darius. 636-354-7406"

CAPTION: "Stop letting credit hold you back from backyard space.

RTO is for everyone. No credit check.

☎ 636-354-7406 | 📍 St. Charles, MO"

🎨 AI Video Scene Prompts — Shed Specific (Nano Banana → Kling Pipeline)

Concept 1 — "The Workshop Dad"

Cinematic golden hour shot of a dad and his teenage daughter building a custom guitar together inside a beautifully lit backyard workshop shed, sawdust floating in warm light beams streaming through large windows, pegboard walls lined with organized tools, shallow depth of field with the shed's barn-style exterior visible through the open double doors.

AD CAPTION TO PAIR WITH IT: "This started as a storage shed. Now it's where they spend every Saturday. What would you build? ☎ 636-354-7406 | FREE delivery"

Concept 2 — "The She Shed"

Wide aerial drone shot pulling back to reveal a stunning modern she-shed with French doors thrown open onto a flagstone patio, a woman inside lounging on a velvet couch with string lights and potted plants everywhere, early spring Missouri sunset painting the sky orange and pink behind mature oak trees, the whole backyard glowing.

AD CAPTION: "Your backyard retreat is one phone call away. Custom colors, custom windows, FREE delivery. ☎ 636-354-7406"

Concept 3 — "The Home Gym"

Dynamic low-angle shot of a man finishing a deadlift inside a rugged home gym shed, rubber flooring and concrete walls with motivational posters, garage-style door rolled wide open to a bright spring morning, dogwood trees blooming in the suburban backyard beyond, sweat and determination lit by dramatic side light.

AD CAPTION: "Gym membership: \$60/month. This: \$150/month and you own it in 3 years. The math wins. ☎ 636-354-7406"

💡 **How to run these:** These go into the Nano Banana → Kling v1 Standard pipeline. ~\$2.50 per finished 5-sec video clip. Tell Basquiat to run these 3 concepts.

📅 April 22 (Wednesday) — 3 Reasons You're Scrolling Past Shed Ads

Instagram

3 reasons you keep scrolling past shed ads (and why you should stop) 🏠

1 "I can't afford it right now"

→ \$110/month rent-to-own. No credit check.

2 "I don't have room"

→ Garden sheds start at 8x10. That's smaller than your bathroom.

3 "I'll do it next year"

→ Prices go UP. Every year. That's not sales talk, that's lumber.

Stop scrolling. Start calling. ☎ 636-354-7406

📅 April 25 (Saturday) — Shed vs Everything Else

Instagram

Shed money vs everything else money 🦋

- ❌ Storage unit: \$150/mo forever (never own it)
- ❌ Home addition: \$40,000+ (permits, months of mess)
- ❌ Doing nothing: \$0 now, \$2,500 in hail damage later
- ✅ Backyard shed: \$3,509-\$11,299 (own it, use it, done)

The math always wins. 🏠
