"The Daily Clutter Tax"

Facebook Marketplace

MARKETPLACE TITLE

12×16 Garage-Back Shed | Custom Workshop, Gym, She Shed | \$235/mo

AD COPY

Every day you park outside is a day your car weathers Missouri.

Every morning you trip over stuff in the garage is a bad start.

Every spring you say "I need a shed" and don't get one costs you another year of this.

That's the clutter tax. And it's not in your wallet — it's in your stress level.

A shed pays for itself in peace of mind alone.

🏠 Custom sizes from 8x10 to 16x32

🌟 FREE delivery + setup

💰 Financing, rent-to-own, or no credit check lease

✅ See dozens on the lot before you decide

One call. One decision. Done.
