Shed-Mar100 — "100 Ads Later" (FB Marketplace + Instagram)

I've posted about 100 shed ads.

You've probably scrolled past 95 of them.

But here you are. Reading #100.

You know why?

Because the garage is still full.
The car is still outside.
And that "I should really get a shed" thought?
Still there.

I'm not going anywhere.
Neither is your storage problem.

But ONE of us can fix that.

☎ Text me. I'll give you a straight quote.
No games. No pressure. Just math.

Shed-Mar101 — "What's Your Number?" (FB Marketplace + Groups)

Quick question:

What monthly payment would make you say "yeah, let's do it"?

\$99/mo? We got that.

\$150/mo? Yep.

\$200/mo? That's a NICE shed.

\$250/mo? Now we're talking workshop.

Most people think sheds cost more than they do.

Most people are surprised when they text me.

Here's what's real:

- 0% interest if paid in 6 months
- 9.99% APR for up to 10 years
- Rent-to-own – no credit check needed
- 10% down, that's it

The number's probably lower than you think.

Only one way to find out.
