Website: thewateringbowl.com

Now Part Of: Best Friends Pet Care (employee-owned)

Why Good Fit: Cage-free facility = dogs run and play ALL DAY indoors AND outdoors under staff supervision. Outdoor synthetic turf areas at each location = significant waste generation. St. Peters location is in TJ's core territory. 3 active locations (South County location closed). Now powered by Best Friends Pet Care — a national, employee-owned brand. Landing one location could open all three. Plus referral potential — their daycare clients are active dog owners who need yard cleanup at home.

Est. Monthly Value: \$150–\$250/location × 2-3 locations = \$300–\$750

"Your dogs play outside all day — that's a LOT of cleanup for your crew. We handle professional pet waste removal so your outdoor areas stay clean and safe. We're already in St. Peters. Let's start with one location and grow from there."

Lead #2: Heartland View Apartments — Wentzville

Heartland View Apartments **HIGH PRIORITY — ALL BREEDS WELCOME**

Why Good Fit: All breeds, no weight limit = high dog density. Newer luxury community in Wentzville (expanding TJ's westward reach). They charge pet fees = they know pets are part of the community. 1-3 bedroom layouts attract families with dogs. Wentzville is growing fast — getting in here opens doors to the whole area.

Est. Monthly Value: \$200–\$400

"You welcome all breeds — that's a big draw for dog owners. Professional pet waste cleanup keeps your grounds as premium as the rest of your community. One flat monthly rate, we handle everything."

County-managed = stable recurring contract. Wentzville is booming — this park gets HEAVY use. Adjacent to Quail Ridge Trail = extra foot traffic. St. Charles County Parks manages multiple facilities — landing this could open other parks.
