Shed-Mar142 — "Spring Cleaning Confession" (FB Marketplace + Groups)

Spring officially starts tomorrow.

You know what that means:

You're about to open the garage door
and pretend you don't see the chaos inside.

Bikes from 2018.
Holiday bins stacked to the ceiling.
A weed eater you forgot you owned.
That "I'll deal with it later" pile from last April.

Later is now.

A shed moves the mess OUT of your garage
so you can actually park in it again.

- ✓ FREE delivery & setup
- ✓ Rent-to-own — no credit check
- ✓ 0% interest if paid in full within 6 months

Shed-Mar143 — "Your Yard Deserves Better" (FB Marketplace + Nextdoor)

Quick question:

Is your lawnmower sitting next to your Christmas tree
which is sitting next to a treadmill
which is sitting next to a kayak?

That's not a garage. That's a storage unit you're paying a mortgage on.

Give your stuff a proper home.
Give your car its garage back.

A shed can be:

- ✓ A workshop with actual room to work
- ✓ A she-shed where you disappear on weekends
- ✓ A home gym (for real this time)
- ✓ A man cave with a door that locks

Starting around \$150/mo rent-to-own.

Way cheaper than:

- A storage unit (\$150/mo FOREVER)
- A home addition (\$40K+)
- Pretending the problem doesn't exist (priceless)

- 🌟 FREE delivery & setup
- 🤖 Financing from 9.99% APR, 120 months

No pressure. Just a smart move.

Thursday truth bomb:

Your neighbor with the clean garage?

They have a shed.

That's it. That's the secret.

They're not more organized than you.
They just have somewhere to put their stuff.

- ✓ Dozens on the lot — every size
- ✓ Custom colors & upgrades
- ✓ FREE delivery & setup
- ✓ No credit check rent-to-own
- ✓ Traditional financing available too

Spring is HERE. Get ahead of the summer rush.

Shed-Mar145 — "Missouri Weather Warning" (FB Marketplace + Groups)

Missouri weather reminder:

Hail season is around the corner. 🌨️

Your car sitting in the driveway because
your garage is full of stuff?

That's a \$2,000+ lesson waiting to happen.

A shed clears your garage so your car
actually fits where it's supposed to.

Think of it as insurance you can also use
as a workshop, office, or hangout spot.

- ✓ In stock — walk the lot today
- ✓ FREE delivery & setup
- ✓ Rent-to-own: ~\$150/mo, no credit check
- ✓ Finance: 9.99% APR, up to 120 months
- ✓ 0% interest option (6 months, paid in full)

Don't wait for the first storm.
