Today's Focus: Dog Daycare Chains + St. Charles Park District

Theme: National franchise daycare chains with STL locations (outdoor play areas = high waste volume) + municipal dog park system

Total new leads: 6 | **Est. monthly value if won:** \$1,500–\$3,750+

Running total: 61 commercial leads in pipeline

LEAD #1

HIGH — FRANCHISE CHAIN

Camp Bow Wow — St. Charles

Dog Daycare / Boarding / Grooming / Training — National Franchise

Phone: (636) 241-9341

Website: campbowwow.com/st-charles

Location: St. Charles, MO

Why Good Fit: National franchise with indoor AND outdoor play yards. Live webcams = marketing-conscious = values clean facilities. Dogs play all day = massive outdoor waste generation. St. Charles location is in TJ's core territory. Landing this could open doors to other Camp Bow Wow locations in the metro. They already have a referral program ("Re-FUR a Friend") = natural fit for a referral partnership.

Est. Monthly Value: \$200–\$400 + referral pipeline

"Your dogs play outside all day — that's a lot of cleanup for your crew. We can handle the outdoor waste professionally so your play yards stay clean and safe. We're already in St. Charles. Plus let's set up a referral deal for your clients who need yard cleanup at home."

LEAD #2

HIGH — 3 DOG PARKS

St. Charles Park District — Dog Park System

 Municipal Dog Park System — 3 Locations

Phone: (636) 947-7223 (Parks Admin)

Website: stcparks.org/dog-parks

Locations:

- East Side Sports Complex — .84 acre dog park with pond access
- River Bend Community Park — 3/4 acre with doggy water fountain, double-gated entry
- James O. Breen Community Park — 2.56 acres (!), dog-friendly equipment, activity stations

Why Good Fit: THREE free dog parks = heavy public use = significant waste. Currently "unsupervised" — rules say owners must pick up but we know how that goes. Total of ~4.14 acres of dog park. One contract covers all three locations. Park District accepts donations for dog park support = they value these amenities. Municipal = stable, recurring revenue.

Est. Monthly Value: \$500–\$900 (bundle all 3 parks)

"You've got 3 great dog parks across St. Charles — over 4 acres total. Even with the 'pick up after your pet' rules, we both know what happens. Professional weekly service keeps all three clean. One vendor, one invoice, one flat monthly rate. We're already servicing St. Charles County."

LEAD #3

HIGH — MULTI-LOCATION FRANCHISE

Dogtopia — Richmond/Chesterfield

 Dog Daycare / Boarding / Spa — National Franchise

Phone: Check website for local number

Website: dogtopia.com/richmond-chesterfield

Location: Chesterfield/Richmond area, MO

Why Good Fit: National franchise with FIVE large indoor playrooms and a spacious outdoor play area with artificial turf. Dogs are in off-leash play all day. They separate by size and temperament = organized operation that values quality. They offer spa, daycare, and boarding = high dog volume. Chesterfield is affluent = will pay for quality service. Landing one Dogtopia could open doors to other franchise locations.

Est. Monthly Value: \$200–\$400 + referral pipeline

"You've got 5 playrooms and outdoor turf areas — that's a lot of dogs playing all day. We handle professional outdoor waste removal so your crew can focus on the dogs. Clean play areas are part of the premium Dogtopia experience."

Maryland Heights campus is in TJ's service area.

Est. Monthly Value: \$0–\$50 (service their grounds) + massive referral pipeline (thousands of adopters/year)

"Every dog you adopt goes home to a yard that needs cleaning. We'd love to be in your new pet parent welcome packet. 15% off first month for adopters. We can also help with outdoor area cleanup at your facilities."

LEAD #5

Saturday adoption events = perfect table/card opportunity.

Est. Monthly Value: Referral pipeline (hundreds of dog owners weekly)

"Can we set up a display or leave cards at your Florissant location? We're the local pooper scooper service. Your grooming and adoption event clients would love us. Win-win."
