Prepared by Franklin for Jamie | Tidy Tails Pet Waste Removal

6 New Leads | Focus: St. Charles County + Multi-Location Pet Businesses

Lead #1: Meadowridge Apartments — St. Charles

Meadowridge Apartments

HIGH PRIORITY

Type: Apartment Complex with Dog Park

Address: 2000 Styling Ridge Dr, Saint Charles, MO 63304

Phone: (636) 244-1616

Website: meadowridgeapts.com

Units: 180 units, built 2018, 3 stories

Pet Policy: Max 2 pets per apartment

Why Good Fit: Newer community (2018) with dedicated on-premise dog park and plenty of outdoor space. Zero-entry pool, sundeck, fitness center — they invest in amenities. St. Charles County, close to TJ's existing St. Peters clients. 180 units = significant pet population.

Est. Monthly Value: \$250–\$400

"Your dog park is a great amenity — let us keep it clean so residents actually want to use it. We already service St. Charles County. One flat monthly rate, professional weekly cleanup."

Lead #2: Capital at St. Charles

Capital at St. Charles

HIGH PRIORITY

Type: Apartment Complex with Dog Park + Pet Stations

Address: 10 San Miguel Dr, Saint Charles, MO 63303

Phone: (636) 244-3400

Website: capitalstcharles.com

Rent Range: \$1,171–\$1,593/mo (1-2 bed)

Pet Policy: ALL breeds welcome, no weight limit. \$300 first pet, \$100 second pet.

Managed By: Eighteen Capital Group

Why Good Fit: They welcome ALL breeds of ALL sizes — that's a LOT of dogs. They already have a dog park AND "plentiful pet stations." No breed restrictions = higher dog density than most complexes. Currently

running spring move-in specials (\$500 off first month on townhomes) = actively marketing = responsive to vendor pitches. Managed by Eighteen Capital Group — could lead to more properties.

Est. Monthly Value: \$200–\$400

"You welcome all breeds, all sizes — that's awesome. With that many dogs, professional waste management keeps your grounds looking sharp. We'd love to handle the dog park and common area cleanup. Already in St. Charles County."

Lead #3: Westchester Village Apartments — O'Fallon

Westchester Village Apartments **HIGH PRIORITY**

Type: Large Apartment Community with Dog Park + Lake

Address: 941 Clubhouse Ln, O'Fallon, MO 63366

Phone: (636) 272-7500

Website: westchestervillageapts.com

Units: 1, 2, & 3-bedroom apartments

Pet Policy: Pet-friendly, 2 pets max, \$325 for 1 pet / \$425 for 2, breed restrictions apply

Why Good Fit: Dog park, private lake with walking trail, outdoor grilling stations, pool, fitness center, clubhouse. The walking trail around the lake = lots of outdoor foot traffic with dogs. This is a BIG community with extensive grounds. Off Hwy 70 and Bryan Road in O'Fallon — easy route access for TJ. Pet deposit structure shows they have a significant pet population and take pet management seriously.

Est. Monthly Value: \$300–\$500

"Your community has a dog park AND a walking trail around the lake — that's a lot of ground to keep clean. We do professional weekly pet waste removal. One invoice, one vendor, cleaner grounds for residents."

Lead #4: No Leash Needed — Multi-Location (8 Locations!)

No Leash Needed **HIGH PRIORITY — MULTI-LOCATION**

Type: Dog Boarding / Daycare / Training / Grooming Chain

Locations: 8 across St. Louis & St. Charles (Ellisville, Kirkwood, Rock Hill, Lake St. Louis, St. Charles, West County + more)

Phone: (314) 942-0011 (main)

Website: noleashneeded.com

Why Good Fit: EIGHT locations = massive opportunity. Award-winning dog training, boarding, daycare, and grooming. High dog volume at every location = significant outdoor waste. Lake St. Louis and St. Charles locations are in TJ's service area. Even landing 2-3 locations would be huge recurring revenue. Plus referral partnership potential — their clients OWN dogs and need yard cleanup at home.

Est. Monthly Value: \$150–\$250/location × 2-3 locations = \$300–\$750

"We're a local pet waste removal company. With 8 locations and all those dogs, outdoor cleanup adds up fast. We can handle the waste at your St. Charles and Lake St. Louis spots — plus set up a referral deal where your clients get a discount on yard cleanup at home."

Lead #5: Kennelwood Pet Resorts

Kennelwood Pet Resorts MEDIUM — PREMIUM BRAND

Type: Premium Pet Boarding / Grooming / Daycare / Training

Locations: Multiple across St. Louis metro

Phone: (314) 429-2100

Website: kennelwood.com

Founded By: Donald Danforth Jr.

Why Good Fit: One of STL's most established and premium pet care brands. Founded by the Danforth family (yes, THAT Danforth family). They treat pets like royalty — they'd value a professional waste service to match. Multiple locations = recurring multi-site revenue. Their premium positioning means they'll pay for quality service. Also excellent referral partner — their clients are affluent dog owners.

Est. Monthly Value: \$200–\$400/location

"Kennelwood's reputation for top-tier pet care is unmatched. We'd love to complement that with professional outdoor waste management at your facilities. Keeps the grounds as polished as the service inside."

Lead #6: The Willows — O'Fallon Villas

The Willows at O'Fallon MEDIUM — UNIQUE ANGLE

Type: Villa-Style Rental Community

Address: O'Fallon, MO

Phone: (636) 294-1399

Website: thewillowsofallon.com

Why Good Fit: Villa-style living with basements, 2-car garages, private patios with BACKYARDS. Pet-friendly community. This is a different angle — residents have their own yards (not just a communal dog

park). The management company could offer TJ's service as a resident perk or build it into lease amenities. Dog park on-site for common area cleanup too. O'Fallon is solidly in TJ's service area.

Est. Monthly Value: \$200–\$400 (common areas) + individual resident upsells

"Your villas have backyards, which is amazing for dog owners — but it also means more cleanup. We can service common areas AND offer your residents individual yard cleanup as an amenity. Think of it as a value-add that sets you apart."

 New Lead Summary — March 18, 2026

Lead	Type	Phone	Priority	Est. Monthly
Meadowridge Apts	Apartment + Dog Park	(636) 244-1616	● HIGH	\$250–\$400
