

Shed Video Scripts, Reel Ideas & Content Pack

TuffShed / WoodMaster STL | Darius 636-354-7406 | 5520 Westwood Dr, St. Charles

AI Video Pipeline — 3 Produced Ads (Kling v1 Standard)

Ad 1 — "The Barefoot Test" (v2)

FB

IG

Concept: **Clean backyard yard — no people** | Duration: **5.1s + audio** | Status: **✓ QA PASS**

HOOK: "Would you walk barefoot in YOUR yard?"

VISUAL: Clean backyard — grass visible, no people, subtle before/after

AUDIO: Ambient outdoor sound + upbeat background music

CAPTION/TEXT OVERLAY:

"3 dogs. Your yard.

Would YOU walk barefoot out there?

Tidy Tails STL — we clean it up.

tidytailsstl.com | 314-850-7140"

Ad 2 — "The Window View"

FB

IG

Concept: **Dog at window wanting out, yard has waste** | Duration: **5.1s + audio** | Status: **✓ QA PASS — USE THIS FIRST**

HOOK: "Let them back outside."

VISUAL: Dog at window looking at yard (from behind/side, no close face shot)

AUDIO: Soft melancholic → uplifting transition + music

CAPTION/TEXT OVERLAY:

"Your dog wants out.

Your yard says no.

We fix that.

tidytailsstl.com | 314-850-7140"

Ad 3 — "The Count"

FB

IG

Concept: **Before/after yard transformation with worker** | Duration: **5.1s + audio** | Status: **✓ QA PASS — STRONGEST**

HOOK: "3 dogs. 7 days. 42 piles. We got every one."

VISUAL: Worker (back-turned) doing cleanup, yard goes from messy → clean

AUDIO: Upbeat confident music

CAPTION/TEXT OVERLAY:

"We counted. So you don't have to.

Tidy Tails STL — weekly, biweekly, monthly.

314-850-7140"

📱 **Where to deploy these:** Upload Ad 2 + Ad 3 directly to Facebook Ads Manager as video creative. Also post Ad 3 organically on FB/IG/Nextdoor — it works as a standalone post. Access the actual video files at: dashboard/video-ads-mar28.html

📱 Shed Reel Ideas — Shoot With Your Phone on the Lot

Reel #1 — "Lot Walk-Through"

REEL

IG

FB

Best for: **Saturday when you're at the lot anyway** | Time to film: **5 min**

WHAT TO DO:

Walk through 3-4 different sheds back to back.

15-30 seconds total. No script needed. Just talk.

WHAT TO SAY (casual):

"Here's a 10x12 Premier — this is what most people get.

[open door, step inside]

Tons of space. Loft over there if you need it.

[walk to next one]

This is the WoodMaster series — darker stain, more workshop feel..."

MUSIC: Upbeat weekend vibe (use CapCut/Reels audio)

HOOK TEXT OVERLAY: "23 sheds on the lot. Come walk them."

CAPTION: "Which one would you pick? 📍 Drop a number.

Contact Darius 636-354-7406 | Free delivery & setup"

💡 **Tip:** Shoot landscape or portrait — doesn't matter. Do it in one take, don't overthink it. Casual = authentic = views.

Reel #2 — "The Before/After"

REEL

IG

Best for: **After a delivery/install** | Time to film: **3 min**

WHAT TO DO:

Film the yard BEFORE the shed goes in (empty/cluttered corner)

Film AFTER the shed is installed

Cut together with transition effect

VOICEOVER/TEXT:

"Before: nowhere to put anything.

After: problem solved.

This is a 10x12 Premier, delivered and set up FREE.

\$189/month — less than most people's car payment."

CAPTION: "Free delivery. Free setup. Just call.

Darius 636-354-7406 | St. Charles, MO"

Reel #3 — "Inside a Workshop Shed"

REEL

IG

Best for: [Showing the PRO Series / larger buildings](#) | Time to film: **3 min**

WHAT TO DO:

Walk into a 12x16 or larger shed on the lot.

Show the interior space — walls, loft, doors.

VOICEOVER:

"People always ask — is it big enough for a workshop?

[spread arms]

This is a 12x16. You've got workbench space, storage on both walls,

loft up top for seasonal stuff.

This becomes your gym, your woodshop, your man cave.

Whatever you need it to be."

CAPTION: "Stop paying rent on a storage unit and own this instead.

Call Darius: 636-354-7406 | FREE delivery"

Reel #4 — "The Tariff Urgency"

REEL

FB

Best for: [April 2026 — lumber tariffs going up](#) | Time to film: **2 min**

WHAT TO DO:

Quick talking head — at the lot or wherever.

Serious but not pushy tone.

SCRIPT:

"Real talk — lumber and steel tariffs went up April 2nd.

That means shed prices are going up.

I'm locking in current pricing for anyone who comes in this week.

Same build quality. Same free delivery.

Today's price is literally cheaper than next week's price.

Just math."

TEXT OVERLAY: "Pre-tariff pricing still available. This week only."

CAPTION: "Text me before the price goes up. Darius 636-354-7406"

Reel #5 — "She Shed Tour"

REEL

IG

Best for: **Women's audience, home/craft crowd** | Time to film: **5 min**

WHAT TO DO:

Walk through one of the better-looking models (Premier Ranch or similar).

Imagine it styled as a she shed / craft room / reading nook.

VOICEOVER:

"Okay, imagine this with string lights, a small couch, some plants...

This is a 10x12 Premier Ranch.

It becomes whatever you want — hobby room, yoga studio, quiet office.

Someone's about to turn this into the most peaceful corner of their property."

CAPTION: "Designed for her. Built by us.

Custom colors, windows, doors — you choose.

Darius 636-354-7406 | Free delivery"

AI Video Scene Prompts (Nano Banana → Kling Pipeline)

Concept A — "The Workshop Dad"

Cinematic golden hour shot of a dad and his teenage daughter building a custom guitar together inside a beautifully lit backyard workshop shed, sawdust floating in warm light beams streaming through large windows, pegboard walls lined with organized tools, shallow depth of field with the shed's barn-style exterior visible through the open double doors.

Concept B — "The She Shed"

Wide aerial drone shot pulling back to reveal a stunning modern she-shed with French doors thrown open onto a flagstone patio, a woman inside lounging on a velvet couch with string lights and potted plants everywhere, early spring Missouri sunset painting the sky orange and pink behind mature oak trees, the whole backyard glowing.

Concept C — "The Home Gym"

Dynamic low-angle shot of a man finishing a deadlift inside a rugged home gym shed, rubber flooring and concrete walls with motivational posters, garage-style door rolled wide open to a bright spring morning, dogwood trees blooming in the suburban backyard beyond, sweat and determination lit by dramatic side light.

📌 These go into the Nano Banana → Kling pipeline (same one that made the Tidy Tails videos). ~\$2.50/ad to produce. Tell Basquiat to run these.

April Instagram Schedule — Video/Reel Spots

April 4 (Sat) — Lot Walk Reel

Walk-through of 3-4 sheds. 15-30 sec. Upbeat music. Hook: "Which one would you pick? 📍 "

April 8 (Wed) — Behind the Scenes

Lot tour reel. Show the variety. Hook: "POV: You finally decided to get a shed 🏠 [emoji vote]"

April 11 (Sat) — Before/After

Garage chaos → shed solution visual. Simple emoji before/after format.

April 18 (Sat) — RTO Explainer

Quick talking head: "No credit check. \$139/mo. You own it in 36 months." Keep it under 30 sec.

April 22 (Wed) — Objection Buster

"3 Reasons You Keep Scrolling Past Shed Ads" — honest, funny take. Carousel or talking head.

April 29 (Wed) — Month Recap Reel

Quick montage of best shed photos/moments from April. Music + text overlays.

Call & Text Scripts (Current Promo — USE TODAY)

Text to Warm Lead — Promo Ends March 31

Hey [Name]! It's Darius from TuffShed — just wanted to give you a heads up before this disappears. Free upgrades promo wraps up tomorrow (March 31st). That's \$250–\$750 in FREE upgrades on Premier and PRO Series buildings. After Tuesday it's standard pricing. No pressure at all — just didn't want you to miss it if you were still thinking about it. 636-354-7406 👍

Cold Call Opener — Any Lead

"Hey [Name], it's Darius over at TuffShed out in Saint Charles — how's it going? [pause] Good, good. Hey I won't take up much of your time. I know we talked a while back about getting some outdoor storage sorted out, and I just wanted to see if that was still something on your radar? We've got a great deal running right now through March 31st — free upgrades worth up to \$750 on our Premier and PRO Series. Just wanted to make sure you knew before it's gone."

Text to Commercial Lead (Churches / Schools)

Hey, this is Darius with TuffShed in Saint Charles. I work with a lot of churches and schools in the area for outdoor storage solutions — groundskeeping equipment, seasonal supplies, maintenance gear. We carry everything from 8x10

utility sheds up to 16x24 workshop buildings, American-made, FREE delivery and setup. Would it be worth a 5-minute conversation to see if we could help? 636-354-7406
