6 New Leads for Jamie • Tidy Tails Pet Waste Removal

Today's Focus: Bridgeton Corridor + South County Expansion

Total pipeline: 73 leads (67 existing + 6 new today)

Today's theme: Filling route gaps in Bridgeton/Earth City and pushing deeper into South County

Estimated monthly value if won: \$1,100-\$2,400/mo combined

HIGH PRIORITY

1. Autumn Lakes Apartments — BRIDGETON

Pet-Friendly Apartment Complex with Dog Run

Address: 3838 Autumn Lakes Dr, Bridgeton, MO 63044

Phone: (314) 291-7600

Why Good Fit: Pet-friendly community in Bridgeton — fills the gap between TJ's North County and Maryland Heights routes. Has dog run and green spaces. Large community with 1-3 bedroom units. Near I-270 and Natural Bridge Rd corridor. Connects Bridgeton Animal Hospital referral lead to a direct service client nearby.

Est. Monthly Value: \$200-\$400

"We service North County and Maryland Heights already — your Bridgeton location is right on our route. Professional weekly dog area cleanup, one flat rate."

 HIGH PRIORITY

2. The Estates at Gravois Bluffs — FENTON/SOUTH COUNTY

Luxury Townhome/Villa Community

Address: Near Gravois Bluffs Blvd, Fenton, MO 63026

Phone: Check gravoisbluffs area listings

Why Good Fit: Growing luxury rental community near the Gravois Bluffs shopping center in Fenton/South County. Villa-style with backyards = dual pitch (common areas + individual resident service). Affluent residents. Bundles with Turtle Creek and Greenmar leads to build a South County route cluster.

Est. Monthly Value: \$200-\$400

"Building a South County route now — common area cleanup plus individual yard service as a resident perk. One vendor, easy."

 HIGH PRIORITY

3. Vantage Point Apartments — SOUTH COUNTY (Mehlville)

Apartment Complex — Pet-Friendly

Address: Mehlville/Lemay Ferry area, South St. Louis County, MO 63125

Phone: Check apartments.com listings

Why Good Fit: Large pet-friendly apartment community off Lemay Ferry Rd in South County. High density area with lots of dog owners. Anchors the South County route with Turtle Creek, Greenmar, and Estates at Gravois Bluffs. Route efficiency play — 4 clients in one corridor.

Est. Monthly Value: \$200-\$350

"We're building a South County service route. Weekly pet waste cleanup keeps your grounds clean — flat monthly rate, no contract."

 MEDIUM PRIORITY

4. Barktown Pet Resort — EARTH CITY/BRIDGETON

Dog Boarding / Daycare / Grooming

Address: Earth City/Bridgeton corridor, MO 63044

Phone: Check Google listing

Why Good Fit: Independent dog boarding and daycare in the Earth City/Bridgeton industrial area. Outdoor play yards need regular cleanup. Perfect dual pitch: service their facility AND referral partnership. Earth City has limited pet services = less competition. Connects to Bridgeton apartment leads above.

Est. Monthly Value: \$100-\$200 + referrals

"Your dogs play outside all day — we handle the cleanup. Plus a referral deal: your boarding clients get 10% off yard service at home."

 MEDIUM PRIORITY

5. Affton Animal Hospital — REFERRAL PARTNER

Veterinary Clinic — South County

Address: Affton/Shrewsbury area, South St. Louis County, MO 63123

Phone: (314) 638-2402

Why Good Fit: Full-service vet clinic serving the Affton/Shrewsbury/Webster Groves corridor. Their dog owner clients are exactly the demographic for residential service. Fills the vet referral gap in South County — all our current vet leads are in North County/Florissant. First mover advantage in the territory.

Est. Monthly Value: \$50-\$100 + residential referrals

"We're expanding into South County and want to be the cleanup service your dog clients know about. Cards at your desk, 10% off for your clients."

 HIGH PRIORITY

6. RealPage Property Mgmt — Multiple STL Communities

Property Management Software + Vendor Platform

Address: National — manages STL properties via vendor portal

Website: realpage.com

Why Good Fit: RealPage is one of the largest property management platforms in the US. Many STL apartment communities use RealPage for vendor management. Getting approved as a vendor on their platform puts Tidy Tails in front of property managers at DOZENS of communities at once — similar strategy to the STLAA vendor registration. Multiple STL complexes use their system.

Est. Monthly Value: Platform listing → \$500-\$2,000+/mo across multiple properties

"Register as a pet waste removal vendor on the RealPage platform. Property managers search for vendors by category and location. One listing = visibility at dozens of managed communities."
