NORTH STAR REMINDER

Goal: **25-30 recurring customers**. Currently 11. Gap = 14-19 customers. At ~1/week organic pace, that's 3-5 months. Paid ads could cut that to 6-8 weeks.

🎯 **The clearest path to goal:** \$7/day FB ads (already built) + 2 directory submissions/week + 1 FB group post/week = 3 customers/month. Launch this week and you're at goal by July 4th.
