The Villas at Dardenne — Dardenne Prairie

 Villa/Townhome Community with Pet-Friendly Policy

Address: Dardenne Prairie, MO 63368

Why Good Fit: Villa-style community in booming Dardenne Prairie / O'Fallon corridor. Individual patios and yards. Pet-friendly. Same route as WestInn Kennels Dardenne Prairie location. Dual pitch: management hires for common areas + individual residents sign up for backyard service. St. Charles County expansion territory.

"Your residents with dogs would love professional weekly yard cleanup. We can service common areas AND offer individual resident service as a community perk. We're already building a Dardenne Prairie route."

LEAD #3 — NEW HIGH

Creve Coeur Dog Park (City of Creve Coeur)

 Municipal Dog Park

Address: Millennium Park, 2 MD-WD, Creve Coeur, MO 63146

Phone: (314) 432-6000 (City Hall)

Website: crevecoeurmo.gov

Why Good Fit: Off-leash dog park at Millennium Park in affluent Creve Coeur. City-operated. Heavy use from surrounding neighborhoods. Bundles with Kings Landing Apartments (no weight restrictions, Creve Coeur). Municipal = stable recurring. Affluent area = city budget supports vendor services.

"Professional weekly pet waste removal for your dog park — cleaner park, happier residents, less work for your maintenance crew. One flat monthly rate."

LEAD #4 — NEW ● MEDIUM

Paws & Play STL — South County

 Dog Daycare / Boarding

Address: South St. Louis County area

Phone: See website / Google listing

Why Good Fit: Smaller independent daycare in South County — less corporate than franchises, more likely to partner with a local vendor. Outdoor exercise areas need cleanup. Referral partnership angle for residential clients. Opens South County territory alongside Turtle Creek and Greenmar Apartments leads.

"We're building a South County route — your outdoor areas cleaned weekly, plus referral deal for your daycare clients who need yard service at home."

LEAD #5 — NEW ● HIGH

Preferred Property Management — St. Louis Metro

 Property Management Company

Address: St. Louis, MO

Phone: (314) 727-5515

Website: preferredstl.com

Why Good Fit: Manages residential rental properties across STL metro — single-family homes, duplexes, multi-family. Pet-friendly properties = tenants with dogs who need yard cleanup. Could offer Tidy Tails as a value-add for their managed properties. Property managers are always looking for reliable vendors to recommend to tenants.

"Offer pet waste removal as a value-add for your managed properties. Keeps yards clean, reduces neighbor complaints, and you look like a hero to property owners. We handle everything — one vendor relationship."

LEAD #6 — NEW MEDIUM

Lakeside Crossing Apartments — South County

 Apartment Complex — Expansion Territory

Address: Mehlville / South County, MO

Phone: See apartments.com listing

Why Good Fit: Pet-friendly apartment community in South County near Fenton. Walking paths and green spaces. Pairs with Turtle Creek and Greenmar to build a South County route cluster. Multiple buildings = common area waste is a real problem. South County is largely untapped — no Tidy Tails presence yet.

"We're expanding into South County and building a route in your area. Professional weekly pet waste cleanup for your grounds. Flat monthly rate, no contract."
