HOOK: "The \$5 a Day Challenge" — Price Reframe

 Facebook Marketplace

10x16 Utility Shed — Workshop, She Shed, Home Gym — \$158/mo

You spend more on coffee than a shed costs.

I'm serious. Break it down:

 Daily Starbucks = \$6-7/day

 Your own shed = about \$5/day

For less than a latte, you get:

- ✓ 160 sq ft of YOUR space
- ✓ Workshop, gym, office, man cave — whatever you want
- ✓ FREE delivery & setup
- ✓ No credit check options available

Your garage didn't get cluttered overnight. But it CAN get fixed this week.

Come see dozens in stock. No pressure, no sales pitch — just options.

HOOK: "The Garage Door Test" — Interactive Challenge

 Facebook Marketplace

CUSTOM Shed — Storage, Workshop, Office — \$178/mo

Quick test: Can you park your car in your garage right now?

Not "if I moved some stuff around."

Not "technically, if I fold in both mirrors."

Right now. As-is.

If the answer is no... you don't have a garage problem. You have a SPACE problem.

And a shed fixes that. Fast.

- ✓ Rent-to-own — no credit check
- ✓ Traditional financing available
- ✓ FREE delivery & setup
- ✓ Custom sizes and layouts
- ✨ 0% interest for 6 months (qualified buyers)

Stop playing Tetris with your garage. Get a shed.

HOOK: "Tariff Warning" — Urgency/Scarcity

 Facebook Marketplace

12x20 Shed — Lock In TODAY's Price — \$208/mo

Real talk: lumber and steel prices are going UP.

New tariffs are already hitting building materials. What costs \$4,800 today could be \$5,500+ by summer.

I'm not saying this to pressure you. I'm saying it because I'd want someone to tell ME.

If a shed has been on your list:

- ✓ Prices are locked at current rates — for now
- ✓ Dozens in stock, ready to deliver
- ✓ Financing & rent-to-own available
- ✓ FREE delivery & setup

This isn't a "limited time sale." It's just math.

Every month you wait, it costs more. 

No pressure. Just facts.
