Tomorrow's Top 3 Priorities

1 PRINT for Saturday's Paw-ty — Flyers, sign-up sheets, business cards, vet one-pager, QR codes. Must be printed Friday or TJ shows up empty-handed.

2 Deploy Paw-ty landing page to Cloudflare — pawty.html, calculator.html, review.html all need to go live. QR codes point to /pawty — if it's not deployed, the whole print kit is useless.

3 Post Friday Countdown social content — Jamie posts the Friday IG/FB countdown from the social blitz. Tag Crestwood Vet. Build last-minute awareness.
