Everything from this weekend → distilled into what to actually DO

COMPETITOR ALERT: POOP 911 Has Entered Florissant

POOP 911's Florissant page went from empty placeholder → **fully built SEO content** targeting our exact zip code. They mention St. Ferdinand Park, McCluer High, Eagan Center by name. They rank #1 for "pet waste removal Florissant MO." Their price: **\$11.95/week** + free first cleanup. Our price: \$17.50/week. This is real competition now — not someday, *right now*.

STL COMPETITORS

THIS WEEK — DO THESE OR STAY INVISIBLE

PRIORITY 1 — MONDAY

Set Up Google Business Profile

You're invisible. Zero search results for "pet waste removal Florissant." This one thing fixes that. Takes 20 minutes.

- Go to **business.google.com** → claim your listing
- Business name: **Tidy Tails Pet Waste Removal** (exact match)
- Category: **Pet Waste Removal Service**
- Service area: Florissant, Hazelwood, Maryland Heights, St. Charles
- Add photos (truck, yard before/after, you working)
- Verification usually takes 3-5 days (postcard or phone)

PRIORITY 2 — MONDAY/TUESDAY

Get 5 Google Reviews

DoodyCalls (national franchise, 25 years) has only **4 Yelp reviews**. The highest-rated competitor has **8 reviews**. Get 5 and you're already competitive. Get 15 and you OWN this market.

- Text each current customer: "Hey [name], quick favor — would you mind leaving us a Google review? It really helps small businesses like us get found. Here's the link: [GBP link]"
- Jamie should ask at every service visit this week
- Offer nothing in exchange (Google's rules) — just ask sincerely

PRIORITY 3 — TUESDAY/WEDNESDAY

Claim Yelp + 4 More Free Directories

Every listing = a backlink = better Google ranking. 0 listings right now means Google doesn't trust your site exists.

- **Nextdoor** — business.nextdoor.com (10 min)
- **Facebook Business Page** — if not done already (15 min)

GROWTH PLAYS — This Week's Revenue Moves

REVENUE PLAY 1 — JAMIE'S MONDAY ROUTE

Neighbor Blitz: Drop 5-10 Door Hangers Per Service Visit

Jamie's already at the house. Neighbors see the truck. Takes 5 extra minutes. Cold door hangers get 1% response.

Neighbor door hangers get 3-5% because they see you every week.

- Print 50 door hangers at Staples (~\$5-12)
- Focus on houses with dog signs, fences, toys in yard
- Message: "Your neighbor uses Tidy Tails — want a clean yard too?"
- $50/\text{week} \times 4\% = 2 \text{ leads/week} \rightarrow \sim 3 \text{ new customers/month}$

📌 Full scripts + hanger designs on dashboard → Neighbor Blitz Kit

REVENUE PLAY 2 — SPRING DEEP CLEAN CAMPAIGN

\$99 One-Time Deep Clean → Converts to \$70/mo Recurring

Nobody else in STL is running spring promos. First mover wins the seasonal surge.

- Post in 3-5 Facebook neighborhood groups (Ballwin, Chesterfield, Florissant, O'Fallon)
- Post on Nextdoor (once GBP is set up)
- Offer: \$99 deep clean + first month 50% off (\$35) → then \$70/mo
- Expected: 3-5 leads → 2-3 deep cleans (\$200-300) → 1-2 recurring

📌 Ready-to-post copy on dashboard → Spring Deep Clean Campaign

REVENUE PLAY 3 — COMMERCIAL OUTREACH START

Jamie Makes 10 Calls to Apartment Complexes

49 commercial leads identified. Zero contacted. One apartment complex = \$300-800/month. Worth more than 5-10 residential customers.

- Start with top 5 apartment complexes (phone numbers on dashboard)
- Script: "Hi, I'm with Tidy Tails. We handle pet waste cleanup for apartment communities in the area. Do you currently have a service for that?"
- Goal: 10 calls → 3 conversations → 1 quote → close in April

📌 Full call sheets + scripts on dashboard → Commercial Outreach Kit

KNOW YOUR ENEMY — STL Market Snapshot

We now track **14 competitors** in the STL area. Here's who matters:

HIGH **DoodyCalls** — National franchise, best SEO, but only 4 reviews & bad employee morale

HIGH **POOP 911** — \$11.95/wk, free first clean, now targeting Florissant with SEO

MED **No. 2 Crew** — \$19/visit, professional site, transparent pricing, positive reviews

MED **Poop 2 Scoop** — \$18/wk, veteran-owned, clean site but weak online presence

MED **Dog Doody Defenders** — \$17/wk, but bad reviews are their Achilles heel

LOW **Poopy Paws** — Website is DOWN. Their customers need a new provider 🙄

LOW **Pawfect Waste Solutions** — DEAD (404 error). More orphaned customers.

💡 **Tidy Tails' Edge:** At \$70/mo (~\$17.50/wk), you're cheaper than 6 of 14 competitors. Two competitors appear to be dead or dying. Nobody has dominant reviews. St. Charles County has almost no competition. The market is fragmented and ripe for someone who shows up consistently and builds trust.
