Shed-Mar134 — "St. Paddy's Luck" (FB Marketplace + Groups)

Happy St. Patrick's Day! 🍀

Know what ISN'T lucky?

- ❌ Parking your car outside in Missouri hail season
- ❌ Tripping over Christmas bins in March
- ❌ Telling your wife "I know where it is" (you don't)

Know what IS lucky?

Having a shed where everything actually fits.

No four-leaf clover needed. Just square footage.

- 🍀 0% interest if paid in full within 6 months
- 🍀 Rent-to-own — no credit check
- 🍀 FREE delivery & setup

May your garage hold your car
and your shed hold everything else. 📦

Shed-Mar135 — "Spring Starts in 3 Days" (FB Marketplace + Nextdoor)

Spring starts Thursday.

Here's what happens every spring:

March: "I'll get organized this year."

April: "I really need to clean out the garage."

May: "Why is every shed company backed up 6 weeks?"

You're in March right now.

You've got the head start.

I have dozens of sheds in stock. Walk the lot, pick your size, get it delivered before April.

- ✓ 10x12, 10x16, 12x20 — all styles
- ✓ Workshops, she-sheds, home gyms, storage
- ✓ Financing from 9.99% APR
- ✓ No credit check rent-to-own
- ★ FREE delivery & setup

Don't be a May person.

Shed-Mar136 — "The Honest Ad" (FB Marketplace + Instagram)

I'll be honest with you.

I sell sheds. I want you to buy one.

But here's why I think you actually need one:

Your garage has tools, holiday stuff, sports gear,
half-finished projects, and things you "might use someday."

Your car? Outside. Getting rained on. Again.

A shed costs less than one hail damage repair.

Way less than a home addition.

And it's delivered in weeks, not months.

I'm not going to pressure you.

I'm just going to be here when you're ready.

- ✓ Dozens in stock — come see them
- ✓ 0% interest if paid in 6 months
- ✓ Rent-to-own with no credit check

✓ FREE delivery & setup

No pressure. Just options.
