Why They're a Perfect Fit: *Opened January 2026 in the former Bar-K location at Forest Park Southeast. Indoor AND outdoor dog park with a full-service café and bar. New business = still building their vendor relationships. They have climate-controlled indoor areas AND a spacious outdoor park — both generate constant waste. High traffic from The Rail apartments (268 units, 80% expected to have dogs) literally next door. First mover opportunity.*

Pitch: *"You just opened and you've got dogs running all day indoors and out. We can keep your outdoor areas clean so your staff focuses on the experience, not the cleanup. Flat monthly rate — we handle everything."*

 **Est. Monthly Value: \$250–\$500/mo + referral pipeline from daily dog traffic**
