Pairs with our West County route (Chesterfield, Creve Coeur).

St. Charles County is TJ's active territory with existing clients. High dog volume = recurring revenue. Strong referral potential — their boarding clients own homes with yards.

PITCH ANGLE

"Your staff handles the love — we handle the cleanup. Professional outdoor waste removal so your play yards stay fresh and your team focuses on the dogs. Plus, your boarding clients probably need yard cleanup at home — let's set up a referral deal. They get 10% off their first month."
